

# **EDITH CAVELL DAY CENTRE**

## **Mini News Update – March 2018**

- As a management committee we are currently looking at the new Data Protection regulations (GDPR) to make sure we comply, ready for May 2018. It is with this in mind that you should have received a short questionnaire, either with this newsletter or via an email to your family, so we can update our medical records.
- We are pleased to inform you that at Christmas we received £400 from Hethersett Lions and a further £375 from individuals. We have ideas of purchases we can make to improve our facilities and equipment – so many thanks!
- The pantomime written by Paul Wilson (one of our volunteers) was a great success. Thank you to all the staff and volunteers who gave of their time to rehearse and perform it.
- As a management committee we are currently looking at the new Data Protection regulations to make sure we comply.
- We have had the roof of the port-a-kabin replaced to repair a large leak.
- We are looking at ways we can improve our attendance figures by more marketing strategies and social media advertising.
- As the weather improves we are looking to run some small outings for those who would like to go out from here – a few people at a time. We are also planning some fundraising events. We have had some ideas and will give more information in the coming months.

Liz, Julia, and all who work and help here would like to thank you once again for your ongoing support. Do speak to us if you have suggestions, comments or ideas – they are always welcome!

The Day Centre Staff Team
